DENTAL IMPLANTS

Single Dental Implant

- Perfect for missing teeth and gaps
- Prevents further bone being lost
- Can last a lifetime
- No need to wear a partial denture
- No need for a bridge which damages healthy teeth

3-Unit Implant Supported Bridge

- Ideal solution for when you have more than one missing tooth
- Fixed solution

Full Implant Supported Overdentures

- Stops slipping of dentures
- Helps improve speech
- Helps chewing and eating
- Prevents further bone being lost
- Boosts your confidence
